

Author Revision Response Matrix

A point-by-point response form for revised manuscripts

Journal

Manuscript ID

Manuscript title

Corresponding author

Revision date

Instructions

- Copy every editor and reviewer comment into a separate row.
- State exactly what was changed and where it appears in the revised manuscript.
- If you disagree, explain the scholarly reason respectfully and provide supporting evidence.
- Submit this matrix together with clean and tracked-changes manuscript files.

#	Editor/reviewer comment	Author response and change made	Page/line	Status
1				☐ Addressed ☐ Explained
2				☐ Addressed ☐ Explained
